

Bridging Specialties®: Timely Access to Lung Cancer Screening—Interactive Guide to Screening and Nodule Management

This program is produced in partnership with CHEST and is sponsored by Lilly USA, LLC.

Course Publication Date: July 22, 2026

Course Expiration Date: July 21, 2027

Title: Bridging Specialties®: Timely Access to Lung Cancer Screening—Interactive Guide to Screening and Nodule Management

Co-Chair(s): Brett Bade, MD; Michael Gieske, MD; Nate Falk, MD, MBA, CPE, FAAFP; Nichole T. Tanner, MD, MS, FCCP; Diana Espinoza Barrera, MD

Course Description

This interactive educational experience provides clinicians with practical, evidence-based guidance for implementing lung cancer screening in clinical practice. Through engaging visual content and case-based application, participants will explore current screening recommendations, shared decision-making strategies, risk assessment, eligibility criteria, and evidence-based approaches to pulmonary nodule management. Designed to support real-world implementation, this activity helps clinicians apply evolving guideline recommendations to improve early detection and patient outcomes.

Course Objectives

- Apply current lung cancer screening guidelines to identify eligible patients, address coverage/reimbursement requirements, and implement evidence-based screening protocols in clinical practice.
- Identify and counsel expanded high-risk groups for lung cancer screening, including minority groups, those who never smoked, occupational exposure groups, veterans, and those in high-burden areas outside traditional age and smoking criteria.
- Apply Lung-RADS and Fleischner Society guidelines to classify pulmonary nodules based on size, morphology, and patient risk factors.

Targeted Audience

This educational initiative is designed for community pulmonologists, primary care physicians, nurse practitioners, physician assistants, and nurses.

Participation Feedback

The participation threshold is a score of 70% or more passing standard for this course and includes learner completion of the final self-assessment and learner completion of the CME credit evaluation, including the identification of what changes the learner expects to make in practice due to participation in this course.

Maintenance of Licensure

Maintenance of Credit (MOC) offered in medical knowledge.

FACULTY

Faculty/Planners

Brett Bade, MD

Senior Associate Consultant

Section of Pulmonary, Critical Care, Allergy, and Sleep Medicine

Mayo Clinic

Rochester, MN

Faculty/Planners

Michael Gieske, MD

Director, Lung Cancer Screening

St. Elizabeth Healthcare
Edgewood, KY

Faculty/Planners

Nate Falk, MD, MBA, CPE, FAAFP
Assistant Dean, Graduate Medical Education
Professor, Family Medicine and Rural Health
Founding Residency Program Director
Florida State University College of Medicine, Family Medicine Residency at BayCare Health System
Winter Haven, FL

Faculty/Planners

Nichole T. Tanner, MD, MS, FCCP
Professor of Medicine
Division of Pulmonary, Critical Care, Allergy, and Sleep Medicine
Medical University of South Carolina
Deputy Chief, Pulmonary Section
Ralph H. Johnson VA Health Care System
Charleston, SC

Faculty/Planners

Diana Espinoza Barrera, MD
Assistant Professor, Interventional Pulmonology
Pulmonary Diseases, Critical Care, and Environmental Medicine
Tulane University
New Orleans, LA

DISCLOSURE OF FINANCIAL RELATIONSHIPS

The mission and vision of CHEST include our commitment to providing accurate, balanced, evidence-based information to health care professionals participating in this educational course. To guarantee our accredited continuing education is fair and balanced and that any clinical content presented supports safe, effective patient care, we require all planners, faculty, and others in control of educational content to complete and submit financial disclosures of all relationships with [Accreditation Council for Continuing Medical Education \(ACCME\)-defined ineligible companies](#) within the prior 24 months. We value the contributions of those who are committed and passionate about pulmonary medicine and want to be a part of our educational courses; however, it is our commitment to our learners to have continuing education free of commercial bias and marketing.

Identified conflicts of interest are reviewed by the educational course director/chair, the Accreditation Team, and/or the Professional Standards Committee to ensure conflicts are properly mitigated. CHEST educational standards pertaining to conflict of interest are intended to ensure the delivery of balanced, evidence-based, scientific presentations. Disclosure of any or no relevant financial relationships will be made available online in course materials and on-site during all educational courses.

The following faculty/planner members of this course have disclosed to CHEST that they have a relevant financial relationship with a commercial interest as it relates to the course:

Name	Role	Disclosure
Brett Bade, MD	Faculty	1. Company Name: Biodesix Relationship: Coinvestigator on industry trial What was received: No direct support Duration: 9/2022 to 5/2025 2. Company Name: Delfi Relationship: Coinvestigator on industry trial What was received: No direct support Duration: 2022 to 5/2025 3. Company Name: Nucleix Ltd Relationship: Coinvestigator on industry trial What was received: No direct support Duration: 2023 to 5/2025

The remaining faculty/planner members of this course who are not listed in the grid above have indicated to CHEST that they have no relevant financial relationships with any commercial interests.

Education Committee/Planners

Chair

Hans J. Lee, MD, FCCP

Consultant: Veracyte

Vice-Chair

Mark Lavercombe, MBBS, FCCP

No relevant financial relationships.

CHEST CME Credit Staff Planners

The following CME Credit Staff Planners have no financial relationships to disclose:

Manuel Alfaro

Lauren Baltas

Sharren Smith

Amna Lombard

Beth Corey

Carolyn M. Jones

CME/CE CREDIT INFORMATION

CME/CE Credit Claim Instructions

Bridging Specialties®: Timely Access to Lung Cancer Screening

To complete the Education Course Evaluation for Bridging Specialties®: Timely Access to Lung Cancer Screening, claim CME/CE credits, and download CME/CE certificates and certificates of attendance (COA), please see the instructions below. **You must complete your evaluation and download your certificate prior to the product expiration date.**

1. Sign in and navigate to your My Learning account at education.chestnet.org.
2. Find the course or event in your list and complete all required post-course work.
3. Claim credits when prompted.

Your certificate and transcript can be viewed at any time under Claimed Courses on the [Manage CME](#) page.

If you are claiming MOC points, please make sure that your full name, date of birth, and American Board of Internal Medicine (ABIM) number listed in your CHEST account match what is listed in your ABIM account. To prevent delays in receiving MOC points, please check that your ABIM account is current.

If you need help, contact the CHEST Accreditation Team at cme@chestnet.org. For faster assistance, outline the specific problem you are having, and provide your CHEST ID and contact information.

**YOU MUST COMPLETE THE POST-COURSE ASSESSMENT AND EDUCATION COURSE EVALUATION
PRIOR TO THE PRODUCT EXPIRATION DATE: July 21, 2027**

Physician Credit

The American College of Chest Physicians is accredited by the ACCME to provide continuing medical education for physicians.

The American College of Chest Physicians designates this live activity for a maximum of 0.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the course.

Nursing Credit

The American College of Chest Physicians is accredited by the ACCME to provide continuing medical education for physicians. The American College of Chest Physicians designates this live activity for a maximum of 0.5 *AMA PRA Category 1 Credits™*.

One *AMA PRA Category 1 Credit™* is equal to one contact hour for the following professional certification organizations:

- American Nurses Credentialing Center (ANCC)
- American Association of Nurse Practitioners (AANP)

For registered nurses, please check your state licensing board for CME credit equivalency.

Nurse Practitioners

The American College of Chest Physicians is accredited by the ACCME to provide continuing medical education for physicians. The American College of Chest Physicians designates this live activity for a maximum of 0.5 *AMA PRA Category 1 Credits™*.

One *AMA PRA Category 1 Credit™* is equal to one contact hour for the following professional certification organization:

- The American Academy of Nurse Practitioners Certification Board (AANPCB)

Physician Assistants

The American College of Chest Physicians is accredited by the ACCME to provide continuing medical education for physicians. The American College of Chest Physicians designates this live activity for a maximum of 0.5 *AMA PRA Category 1 Credits™*.

One *AMA PRA Category 1 Credit™* is equal to one contact hour for the following professional certification organizations:

- American Academy of Physician Associates (AAPA)
- The National Commission on Certification of Physician Assistants (NCCPA)

COA

The American College of Chest Physicians confirms that the individual named below has participated in this educational activity.

The American College of Chest Physicians designates this live activity for a maximum of 0.5 *AMA PRA Category 1 Credits™*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification Statement

Successful completion of this CME credit course enables the participant to earn up to 0.5 MOC Part 2 Medical Knowledge points in the ABIM Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the course. It is the CME credit course provider's responsibility to submit participant completion information to the ACCME for the purpose of granting ABIM MOC points.

Upon successful completion of this course, CHEST will submit your completion data to ABIM via ACCME's Program and Course Reporting System (PARS) for MOC points. To prevent a delay in receiving your ABIM points, please make sure that your ABIM number, birth date, and full name in your CHEST account match your ABIM account. Please also make sure that your ABIM account is current. After claiming CME credits, please allow three to five business days after claiming for credits to show in your ABIM record.

DISCLAIMER

The American College of Chest Physicians ("CHEST") and its officers, regents, executive committee members, members, related entities, employees, representatives, and other agents (collectively, "CHEST Parties") are not responsible in any capacity for, do not warrant, and expressly disclaim all liability for, any content whatsoever in any CHEST publication or other product (in any medium) and the use or reliance on any such content, all such responsibility being solely that of the authors or the advertisers, as the case may be. By way of example, without limiting the foregoing, this disclaimer of liability applies to the accuracy, completeness, effectiveness, quality, appearance, ideas, or products, as the case may be, of or resulting from any statements, references, articles, positions, claimed diagnosis, claimed possible treatments, services, or advertising, express or implied, contained in any CHEST publication or other product. Furthermore, the content should not be considered medical advice and is not intended to replace consultation with a qualified medical professional. Under no circumstances, including negligence, shall any of CHEST Parties be liable for any DIRECT, INDIRECT, INCIDENTAL, SPECIAL or CONSEQUENTIAL DAMAGES, or LOST PROFITS that result from any of the foregoing, regardless of legal theory and whether or not claimant was advised of the possibility of such damages.
